TESTIMONIALS

From the moment you meet Farah, it's not hard to be absorbed into her world of glitter, self-worth, and positivity...but don't be fooled by just the sparkle, pretty pinks, and fabulous clothes... this woman means business, and is here to change the game and knows it isn't always rainbow's and sparkle! Farah speaks with passion, knowledge, evidence, and inspiration, and was able to enthrall an entire audience of women from a range of generations at a recent Ferrari Melbourne Ladies Luncheon about finding "you" and helping women to feel empowered and gain stronger self-worth in their lives.

Farah is well educated and speaks with grace, patience and understanding, and was able to tailor her content to her audience exceptionally. Farah was easy to work with, nothing was an issue and was able to problem solve to find creative outcomes for all elements of the event.

As a young woman myself, I immediately found Farah inspiring and wanted to know more about her journey. Farah's energy is contagious, and she speaks to everyone, from my personal experience, as if they are an old friend and with respect and compassion. After spending 10

minutes with Farah you truly believe you can take on the world... with one Fendi foot in front of the other at a time. I greatly look forward to working with Farah for years to come.

"I had the pleasure of meeting the lovely Farah Mak from The Self-Worth Movement at our Marriott International Women's Day event at The Ritz Carlton Perth. What an empowering, energising experience! It was so lovely to hear from a strong business leader on the importance of self-care and self-worth. I highly recommend the course and keynote speech by Farah for all women, and young girls too".

"Farah, your empowering speech will stay with me for a very long time. In a time where women's voices need to be heard more than ever, your story will be something I will forever remember. As a new mother, hearing how you 'keep your cup full,' and everything else, was just inspirational! Thank you so much for visiting, and we hope our paths cross again."

"Farah – where to begin?

Being able to have you as a guest speaker in Perth for the International Women's Day event for all Marriott International Perth Hotels was an absolute highlight!

Surrounded by the beauty of the Ritz-Carlton, with a pink chocolate fountain and the beautiful table settings with the sparkly, divine affirmation cards of the Self-Worth Movement, just added to the special atmosphere.

Farah's personal story and experience was extremely moving and many of us felt incredibly inspired and motivated afterwards. The affirmation cards are very unique with their exquisite velvet-touch, and are such a powerful tool for future growth and self-belief.

I could go on and on, but experience it for yourself – you will not be disappointed!"

"Farah was great from the moment you put us in contact. Very prompt in her replies, friendly and professional. She was easy to talk to, accommodated all my needs and requests – Just great. She text and emailed me all the way through the lead up to the event, she attended our rehearsal and she was well on time on the night. She dressed appropriately for my theme and

she was so professional and fun throughout her MC duties. Great speaker – very confident and natural. When we sat for dinner she was friendly with everyone at the table, she came and spoke to me to make sure I was ready to go each time we resumed after food....I honestly can't rate her high enough. And I am extremely grateful to you for putting us into contact and for suggesting her as my MC. Thank you!"
